## MIE Docs File Management Software Crack + X64

1. With MIE Docs you can visualize, manage and edit your business documents like it has never been possible before. A centralized virtual drive which saves time and costs to our clients. FOB Ras Al Khaimah, UAE, February 26, 2017 – Laptop Afzal, a leading value-added Furniture supplier and office depot located in Ras Al Khaimah, UAE, introduces the “MOBILE AND CARD READER” to its customers. This innovative new mobile reading tool can scan Mifare cards and supports all Mifare PRO Ultralight, ExCaM technologies with Mifare Classic (1K), Mifare DESfire (2K) and Mifare Ultralight (4K). The mobile reader is equipped with a One-touch interface and uses a dedicated application; we are integrating this with Afzal’s Mie Docs application for seamless file management of your business data. Customer response and feedback has been overwhelming since the introduction of the Mie Docs solution and Afzal believes that this new reading device will increase the ease and comfort of our customers, as well as make it easier and even safer for them to access their business documents. According to Afzal; “We launched Mie Docs in 2013 as a one-stop File Management solution which made it easier for our customers to perform business transactions on the go with the help of a tablet with the support of cloud solutions. We are excited to offer them yet another innovative device for information and data capture.” The new “MOBILE AND CARD READER” was designed to make scanning and reading procedures simple, easy and comfortable. It is a powerful device equipped with a 48 month warranty and our dedicated customer service team are here to answer any questions or queries you may have at support@afzals.com Regards, Zafar Afzal CEO Laptop Afzal It’s officially Spring and a time for fresh new ideas and innovative ways to market your business.
