Two friends and their sweet and sweet misadventures, and in one of these misadventures they find themselves at the center of a kidnapping investigation. Watch HD 720P. A film that not many people seem to know about. It always seemed to me that the films about the mafia that I happened to see did not really impress me. And this film is really impressive, it shows the real harsh and dark life of the mafia. I donâ \in^{TM} t know if the film is a remake, as many say, but in general, this is a film about two friends who, in search of easy money, got involved in a criminal case. And as a result, they become embroiled in a kidnapping that has a very, very dangerous trail.
