### **Elden Ring PC/Windows**

1. What kind of game is "Elden Ring"? Elden Ring is the new fantasy action RPG. For the first time in history, a Fantasy RPG where you can create a brand new character and play with friends. The game world is vast, and it is full of exciting combat. After you select your starting job, you will delve into the powerful world with various jobs and develop as you fight. In Elden Ring, a job is something that a character has during the course of the game. Job changes every day. And different character types have different jobs that they specialize in. Character development is optional. There are no classes in the game. If you want to play as a strong warrior, you can increase your stats to become a warrior. However, you can also choose your job to specialize in a job that is appropriate for you. Both the active and passive skills have an effect on the growth and damage of the character, while only the active skills affect the battle. After you have become a strong warrior, your passive skill will be able to be specialized. Most of the equipment that you equip can be freely changed. You can build a powerful warrior or a mage with a unique and powerful equipment. 2. Who are the developers of "Elden Ring" and what did they work on before this? We plan to create a Fantasy Action RPG similar to "Dark Souls", and we aim to challenge the PS4 hardware at the same time. About the staff, we have members who have worked on games such as "Dark Souls", "Virtua Fighter 5", "Ace Combat", "Killing Floor", and "Bloodborne". Also, one of the staff members worked on "Darkest Dungeon". 3. How much time is required to complete the game and how many people are working on the game? We plan to complete Elden Ring in half a year, and to launch it in Winter 2016. As for the number of staff members, we have a comparatively small number of staff members. 4. What is the game setting and the story of "Elden Ring"? In the game, you play as one of four people, and you will follow a story that is presented in the form of fragments. • The world of the story is
