FIFA is back with the game you know and love, rebuilt from the ground up with an immersive new look and feel, improved artificial intelligence (AI) and smarter gameplay. FIFA is back with the game you know and love, rebuilt from the ground up with an immersive new look and feel, improved artificial intelligence (AI) and smarter gameplay. Why did you rebuild the game? In 2010 FIFA became a global phenomenon and introduced millions of new players around the world to the sport. FIFA 11 was successful in building a deep, authentic and social experience, but we felt we could push that even further and ensure that the next generation of FIFA players had the same experience. What's new in Fifa 22:

- **National Teams: The World Cup get an update with Lithuania as a new entry, Serbia & Montenegro as a World Cup wildcard, Colombia as a new Euro 2016 entrant, and New Zealand as a new Asian Cup entrant. Belarus also make their debut at the Euros, while New Zealand & South Africa will make their Oceania debut.**
- **Coaching System: Five new Tutorials, an “Assistant Coach” option, and a variety of other rule tweaks.**
- **Tactics: We raise the game’s difficulty, introduce new types of passes, and balance all phases of the pitch.**
- **Manual pass**
- **Long passes - How to control long passes in FIFA**
- **Runs - How to control for a player to receive the ball when moving at an attacking pace**
- **Accent & Chasing**
- **Heading**
- **Stimulating/Helping the player while on the ball (off the ball)**
- **Can zip past with a sprinting pass!**
- **Trigger pass: We’ve increased the speed of this type of pass. Your new player will love throwing them to other team-mates.**
- **Redirecting pass: Passes into spaces where a receiver’s body position will allow you to cause the defender to overcommit on any pass.**
- **Smooth lay-off: High-quality passes that cover great distances.**
- **Take on defenders: Our new skill will allow you to attack an oncoming defender while taking on a player in a 1-on-1 situation. Both players can clearly see you coming and will give you a bloody nose.**
- **Touch passes: A new pass type, designed for more accurate control. The ball will automatically switch to your out-field player following a pass directly below, while your in-field player will be able to take the ball when the passing angle is shallow.**
- **Try to control the high-aspect pass.**

-
- **Touch pass: When executed early in your run-up, the pass will produce a smooth transition to the cutting pass or an accurate through pass.**
 - **Playmaker**

FIFA is a multi-format title - from console to PC, mobile and tablets. With over 100m players, and more than 25m unique game-user accounts a year, it is the largest sports video game franchise in the world. It's the feeling of authenticity and respect for the sport that makes FIFA so special. When you take the ball and test your skills in the penalty box, or watch Lionel Messi thread a perfect pass through your defence, or see Cristiano Ronaldo score the winning goal for your team in the Champions League final, you are right there on the pitch, experiencing something only a real fan can. EA SPORTS FIFA and EA SPORTS FIFA titles have amassed a legion of fans across the globe and have set the standard for sports titles on console, PC and mobile. What does the title "FIFA" mean to me? Since the first FIFA game, we have strived to truly capture the spirit of the sport. From commentary to the ball physics, from realistic stadiums to top players, we have always sought to make the game as authentic as possible. "FIFA" is synonymous with authenticity and what made the gameplay so immersive when we made the first title. If we could feel your breath as you took the ball from the goalkeeper, we'd do it. "FIFA" is the name of the game on the pitch, and it's the name you can trust on the margins. How does FIFA relate to EA SPORTS? Since the original FIFA came out way back in 1994, football fans and game players have been able to immerse themselves in the game and take their game experience to another level. Some of the most popular features of our game include the Creation Centre, where you can make your own teams, play online and even vote on the FIFA Ultimate Team™ team of the year. As a passionate player, you can also complete challenges and tournaments across all of our games. Plus, you can even watch your favourite players and clubs live in EA SPORTS™ FIFA Club™. The FIFA franchise is the world's biggest and most passionate football game brand. From console to mobile, PC and tablet, it is the largest sports video game franchise in the world. With over 100m players, and more than 25m unique game-user accounts a year, it is the largest sports video game franchise in the world. FIFA is the name of the game
