“The goal of ‘HyperMotion Technology’ is to give the player, the coach and the developer the best tools available to create more advanced players,” said Pete Knapp, Executive Producer of FIFA. “This version of FIFA harnesses over 20 years of FIFA football, with players from all over the world, and allows us to bring the game into the future, putting the player in control of how he moves and reacts.” “Fifa 22 Free Download delivers a more realistic and expressive game that goes beyond last year’s game,” said Nathan Loustau, Executive Producer. “With ‘HyperMotion Technology’ we are using a treasure trove of data to allow players to run and jump around more like they do in real life. The commitment of our team to deliver for the football fan is without question.” Key Game Features include: -The player gets even more control of their game with all-new Prescribed Running System that uses the player’s action ranges, and power, to more accurately reflect the challenges they will face during a match. -FIFA 22 debuts a new tackling system that can now be customized to the players’ characteristics, including differing levels of contact, and complexity and aggressiveness in the tackle. Players can activate a tag in the tackle animation to inspire more realistic tackling animations. -Passion drives all defenders, but personality is what makes the difference. Create your defense by customizing the player’s pass and tackle animation styles with more than 25 unique style variations. -FIFA 22 delivers deeper control and insight to all players on the pitch with a completely overhauled goalkeeper system, giving fans a deeper and

more reactive perspective into the game. In addition, defenders can now call audibles during the match, and make timely decisions in the heat of the match. -In the light of year, FIFA 22 combines the best player information from the world's best clubs into an all-new Club AI. Clubs are now able to control the tactics that suit their players and tactics. -Key features of FIFA 22 will be unveiled over the course of the next three weeks leading up to the May 24 Early Sale on Origin. Key gameplay features: - Passing and Shooting - Receiving and Defending - Running - Clearing the Ball - Crosses and Dribbling
