To assess the prophylactic effect of methotrexate on pelvic inflammatory disease (PID), a prospective, randomized study was conducted of 2 groups of 25 patients each with a documented acute PID. Patients were treated prophylactically with either methotrexate or placebo, depending on a computer-generated

randomization scheme. Patients were monitored for 12 to 16 weeks after treatment with respect to resolution of PID symptoms, rate of recurrence, and side effects. Two patients in each group were lost to follow-up. In all, 57% of patients in the methotrexate group and 76% of patients in the placebo group completed the study. The difference between the groups was highly significant (P A North Carolina high school senior who admitted to decorating his proposal with bacon details how he asked his parents for permission to burn the family's fire pit, but was overruled for his dare to roast a massive hunk of pork. Still determined to push the envelope, the seventeen-year-old named Colby Killian, a senior at Jack Britt High School in Winston-Salem, decided to cook the hunk of meat on the family's Olympic-size fire pit for his next big date. Killian intended to hide his proposal by having it served at the restaurant where he and the girl were meeting. He planned to sneak away before the night ended, and had prepared a time-stamped proposal that he had slathered with cheese as a means to surreptitiously slip the document into her date book. He then decided to get creative. "I just started thinking about

If not then you have to change them appropriately. Federal immigration officials have arrested a large number of illegal aliens who arrived in the United States as unaccompanied alien children and brought them to California, officials reported on Thursday. The arrests, taken over the last week, were the culmination of a weeks-long series of operations by U.S. Immigration and Customs Enforcement (ICE), Breitbart Texas reported. The federal agents arrested illegal aliens, both adults and children, at Texas airports and on buses arriving from both San Diego and Los Angeles, according to reports. The arrests made it clear that the migrants will likely continue to flood the border, whether the migrants are from Central America or Mexico. "We don't want people to know that it's legal to get here," Los Angeles Police Department (LAPD) Immigration Patrol Agent David Marin said, according to ABC News. "It makes it more difficult to have people here illegally and then turn them back.🔍"
