GearsofWar4CODEXcrack

A: You can use a try-except statement like so: try: open('C:\Users\\Lenovo\\Desktop\\Env\\GearsofWar4CODEXcrack.exe') except: pass It will not open the file if it does not exist, but your try-except statement can be customized to your own use if you wish. This can be done when downloading the file using request() and the following code: import requests r = requests.get('') I understand that your save() function is not showing when you do not have the file, however I believe you can get around this by simply deleting the zip file first. If you have a way to confirm what I'm trying to say, then say so. Otherwise this will have to suffice. Election Authority to offer free sample ballots UPDATE: The election office has posted a final schedule of free sample ballots. Education reporter Ben Botkin-Boliver explains the popular election-ballot printing program is being offered again this year at no charge. Students can print sample ballots for the Nov. 6 general election. Just request one during the next week, and students can choose from the sample ballots available at the southern regional offices of the Missouri Division of Elections. High school and college students in Lafayette, Perry and Ray counties can pick them up at their respective Division of Elections offices. The sample ballots mailed to voters this year. Because of the demand, this is the first time this year that the election office has offered the sample ballots free of charge. "The sample ballots are printed on paper with the names of ballot propositions on the back, so that students can just flip them over to check the proposition. The education-related sample ballots are available in the following offices: Missouri State University Southern Regional Office 1020 S. Florissant, Mo 63033 Ray 6d1f23a050
