December 4, 2009 "Red Rock" begins with a power-hungry prime minister turned general, Cao Cao (Zhang Fengyi), who asks permission from the emperor of the Han Dynasty to . Zhang, Chang Chen. The first chapter of the story, which consists of two parts, is devoted to. As Zhang explains, it all started with his desire to avenge his father's murder and ended with him becoming the ruler. His father was killed by "barbarians" - that's what all other peoples then called. When he grew up, he decided to avenge his father, but he could not do it, because the people he considered barbarians turned out to be better than he expected. And the more he studied their culture, the more he understood that they can be respected and even loved. He became a general and helped the emperor conquer China.
